

The Conservation and Outdoor Recreation Education (CORE) Program is British Columbia's Hunter Education Program. It is also a great program for anyone interested in outdoor recreation.

The CORE Program consists of a practical firearms handling test, and a written examination on all of the following subjects:

- Conservation ----• Ethics ----• Law and Regulations ----• First Aid and Survival ----• Firearm Safety ----
- Animal Identification -- • Bird Identification

The CORE Manual and the Hunting and Trapping Regulation Synopsis are the resource manuals used to learn these subjects.

BC Residents who are 14 years of age or older and who wish to obtain a hunting license are required to complete the CORE Program.

The goal of the CORE Program is to ensure that prospective hunters meet acceptable standards of knowledge and skill for safe and ethical participation in hunting recreation.

**DATE February 7,8,9, 2014 (Friday night, Saturday and Sunday all day) bring your lunch as we work through the noon-hour** Call for information on course location (NPRG) in **Fort St John BC** and to make arrangements for your seat.
