

Stage 1

16 rounds

- 4 IPSC mini targets
- 1 IPSC mini no shoot

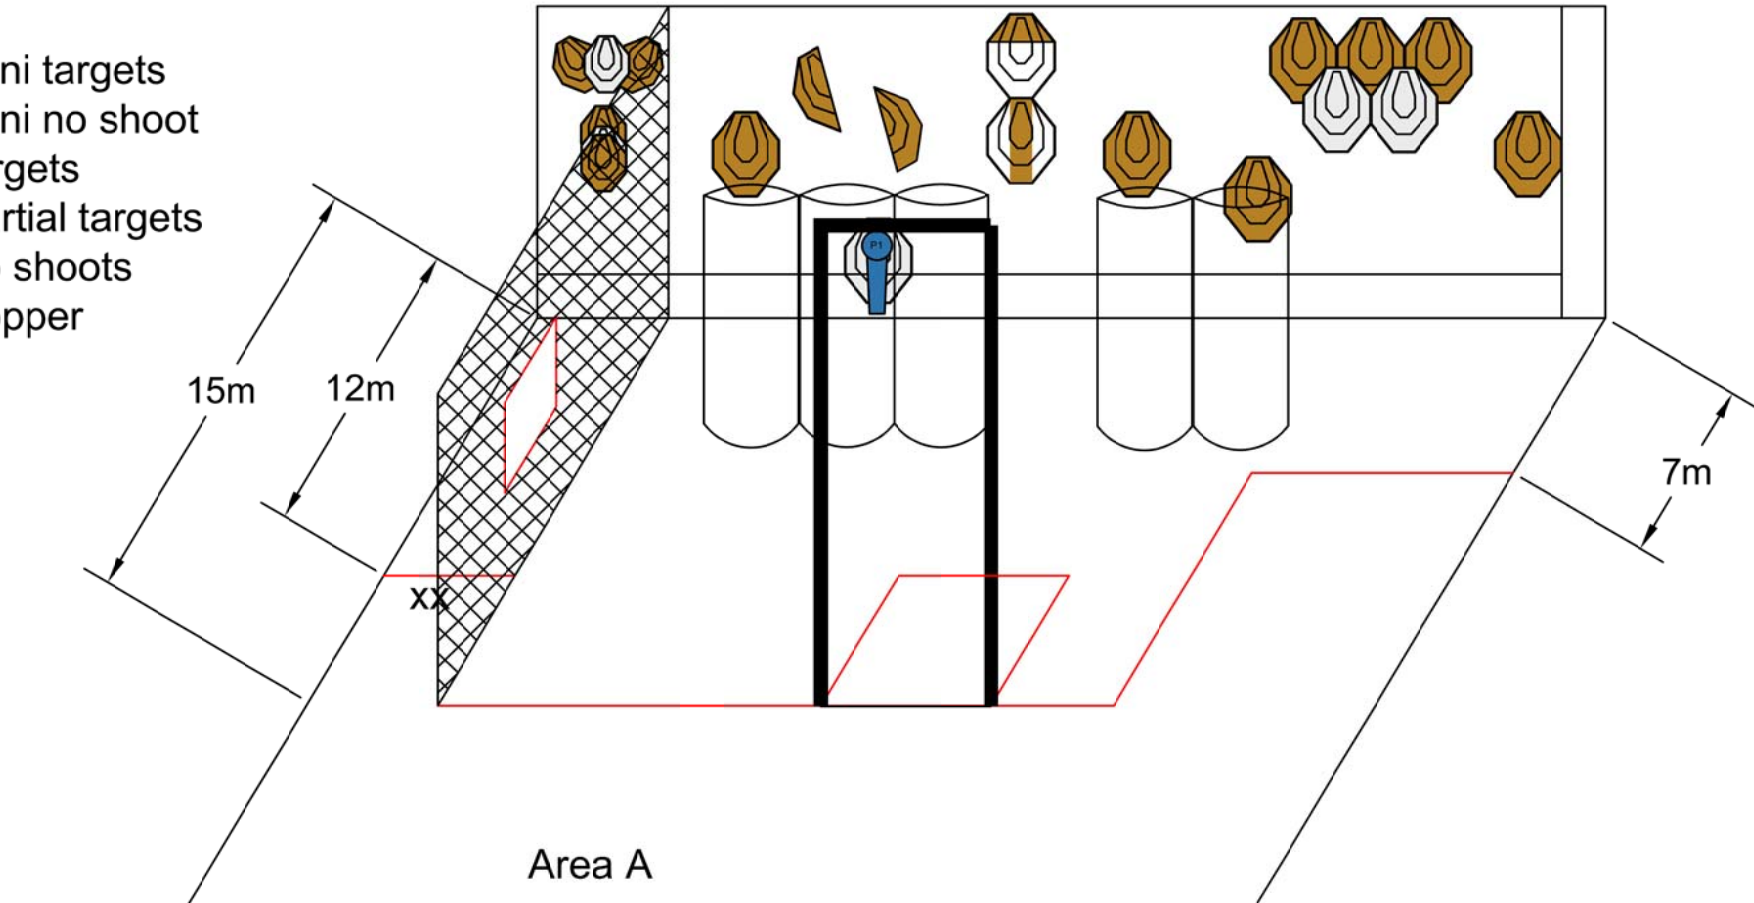

Start in Area A sitting on a chair with hands on knees. The gun is sitting on a table unloaded, magazines on the table. On start signal, engage each target with two rounds, reload and reengage each target with two rounds. All makeups must be made after the reload.

Stage 2

31 rounds

- 5 IPSC mini targets
- 2 IPSC mini no shoot
- 7 IPSC targets
- 4 IPSC partial targets
- 3 IPSC no shoots
- 1 IPSC popper

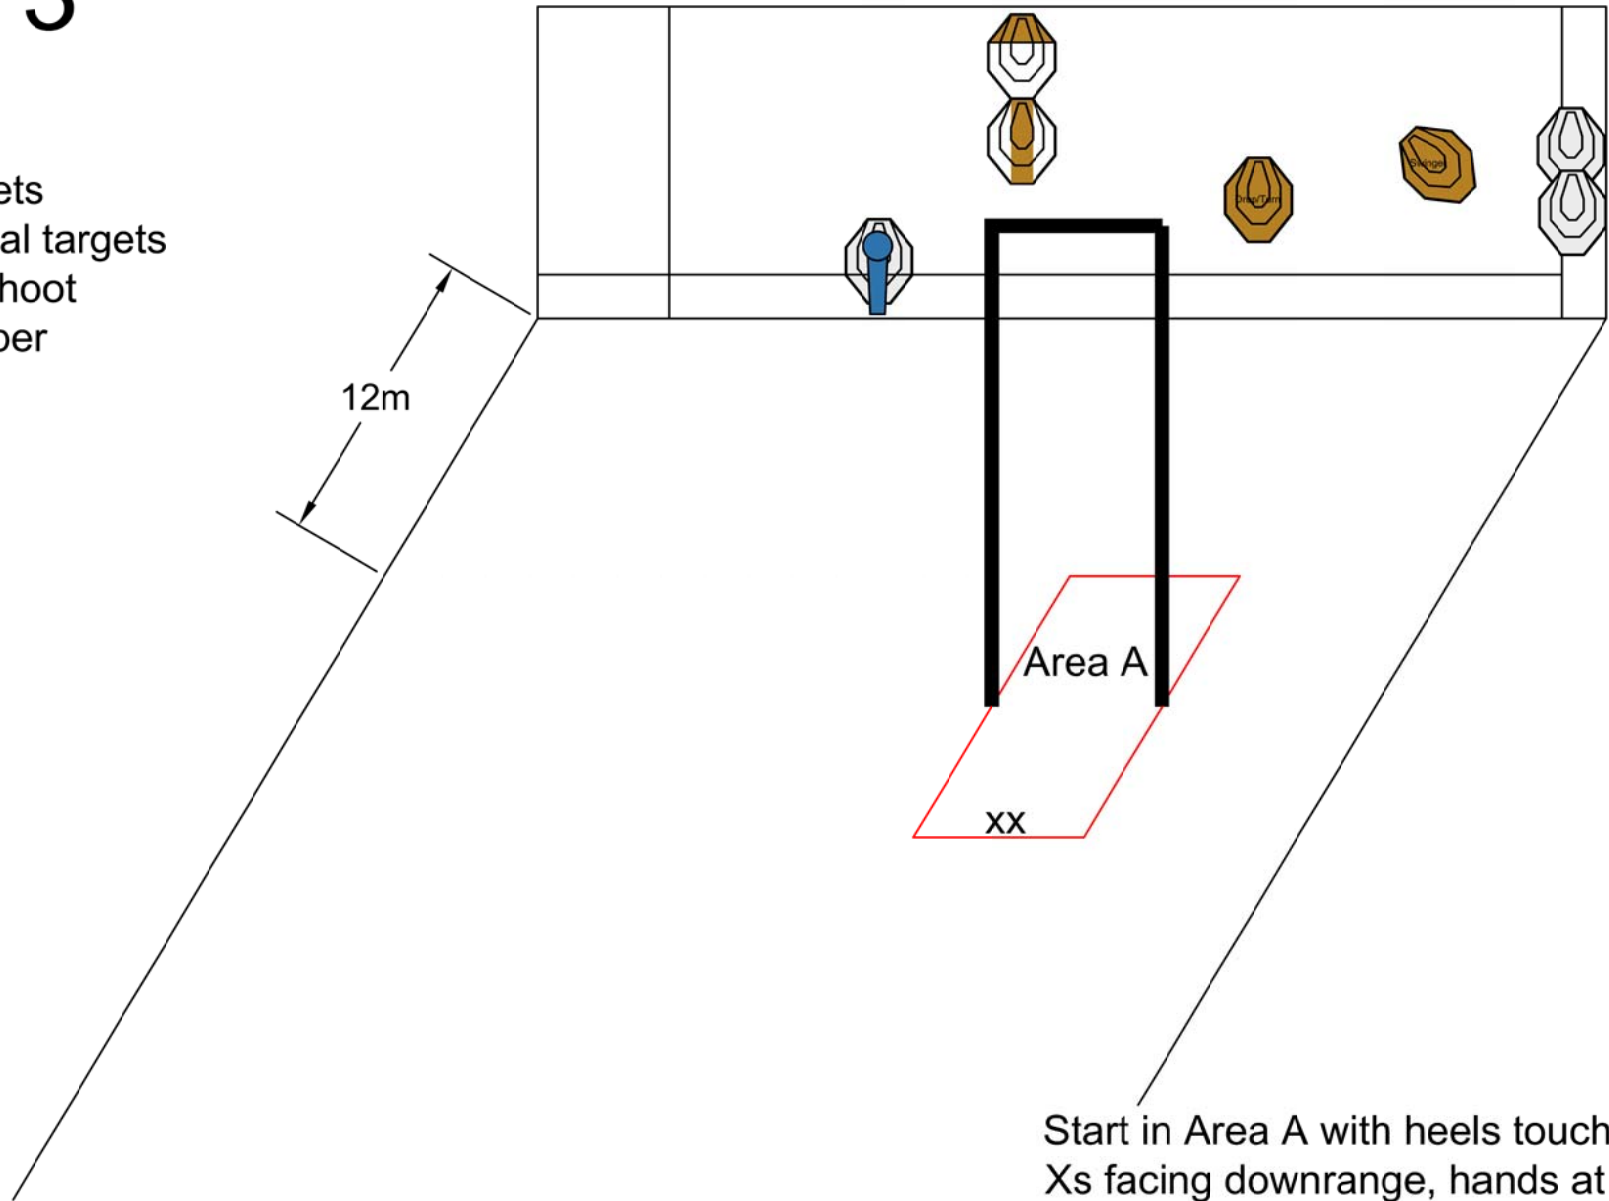

Start in Area A with toes touching Xs facing downrange, hands at sides. The gun is loaded and holstered. On start signal, engage each target as you see them.

Stage 3

9 rounds

- 2 IPSC targets
- 2 IPSC partial targets
- 3 IPSC no shoot
- 1 IPSC popper

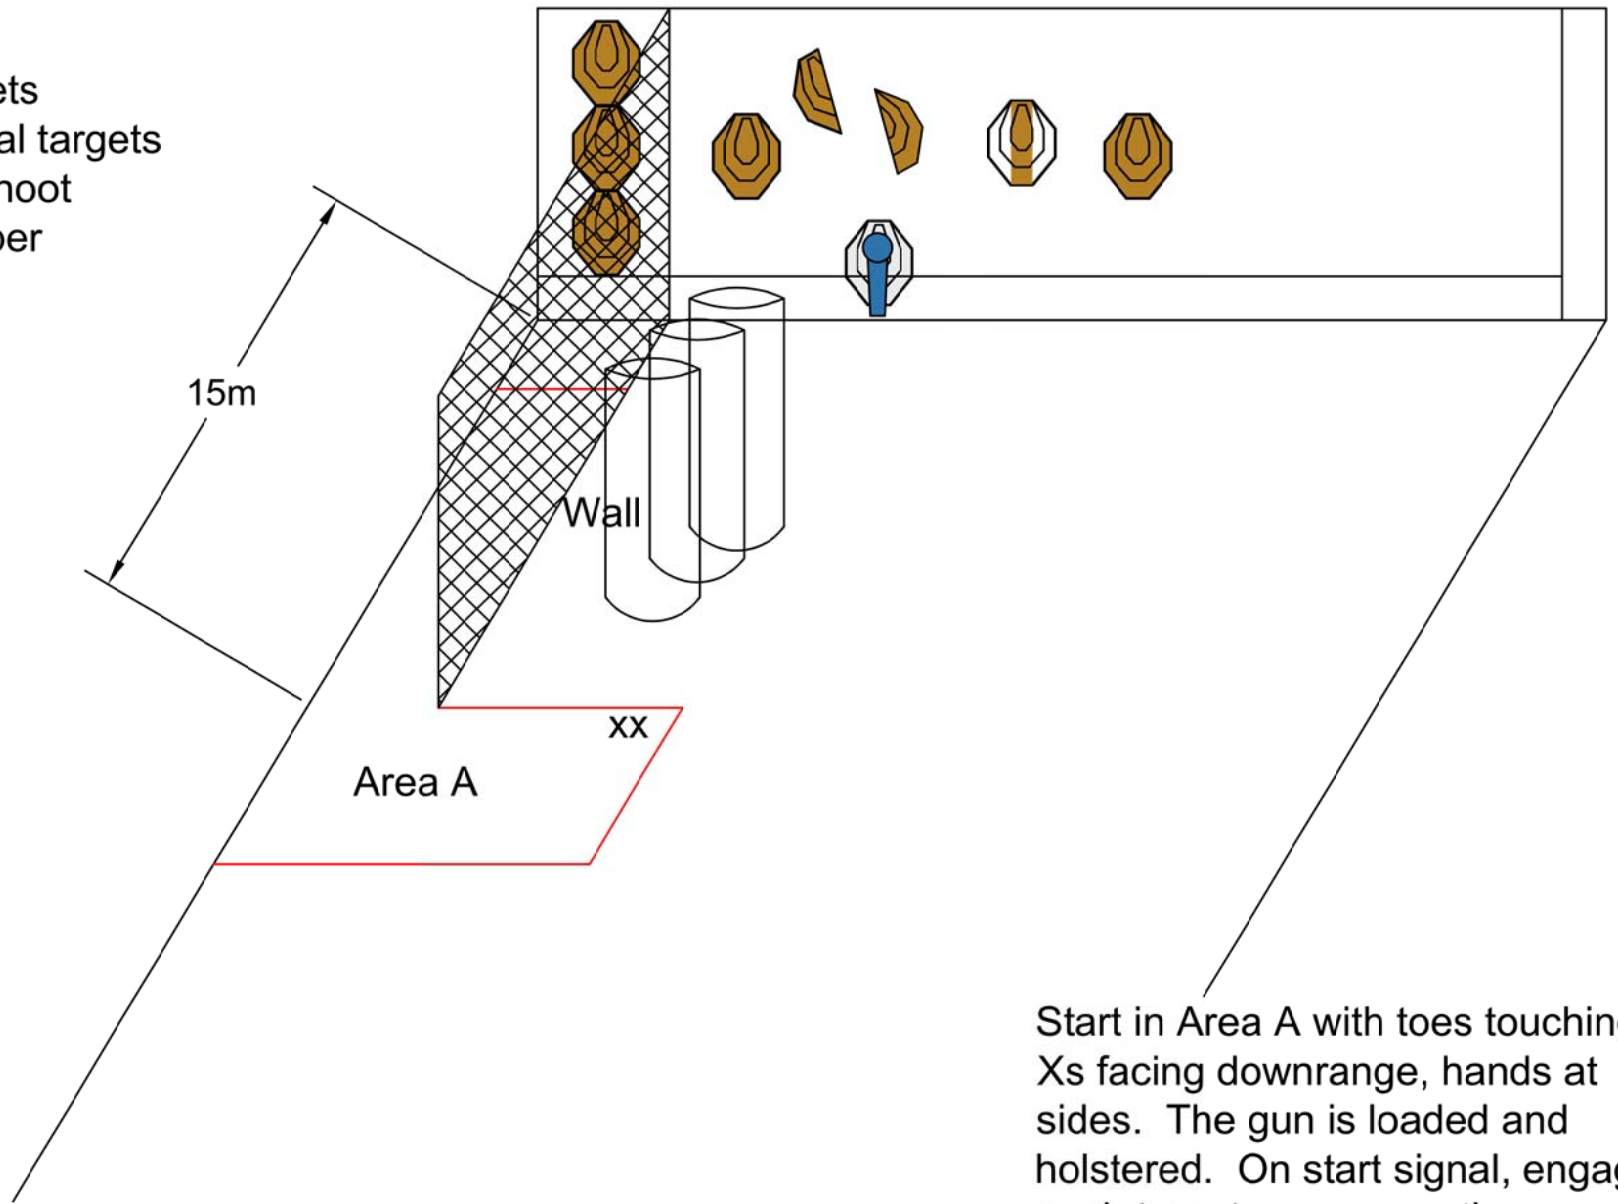

Start in Area A with heels touching Xs facing downrange, hands at sides. The gun is loaded and holstered. On start signal, engage each target as you see them.

Stage 4

17 rounds

- 5 IPSC targets
- 3 IPSC partial targets
- 1 IPSC no shoot
- 1 IPSC popper

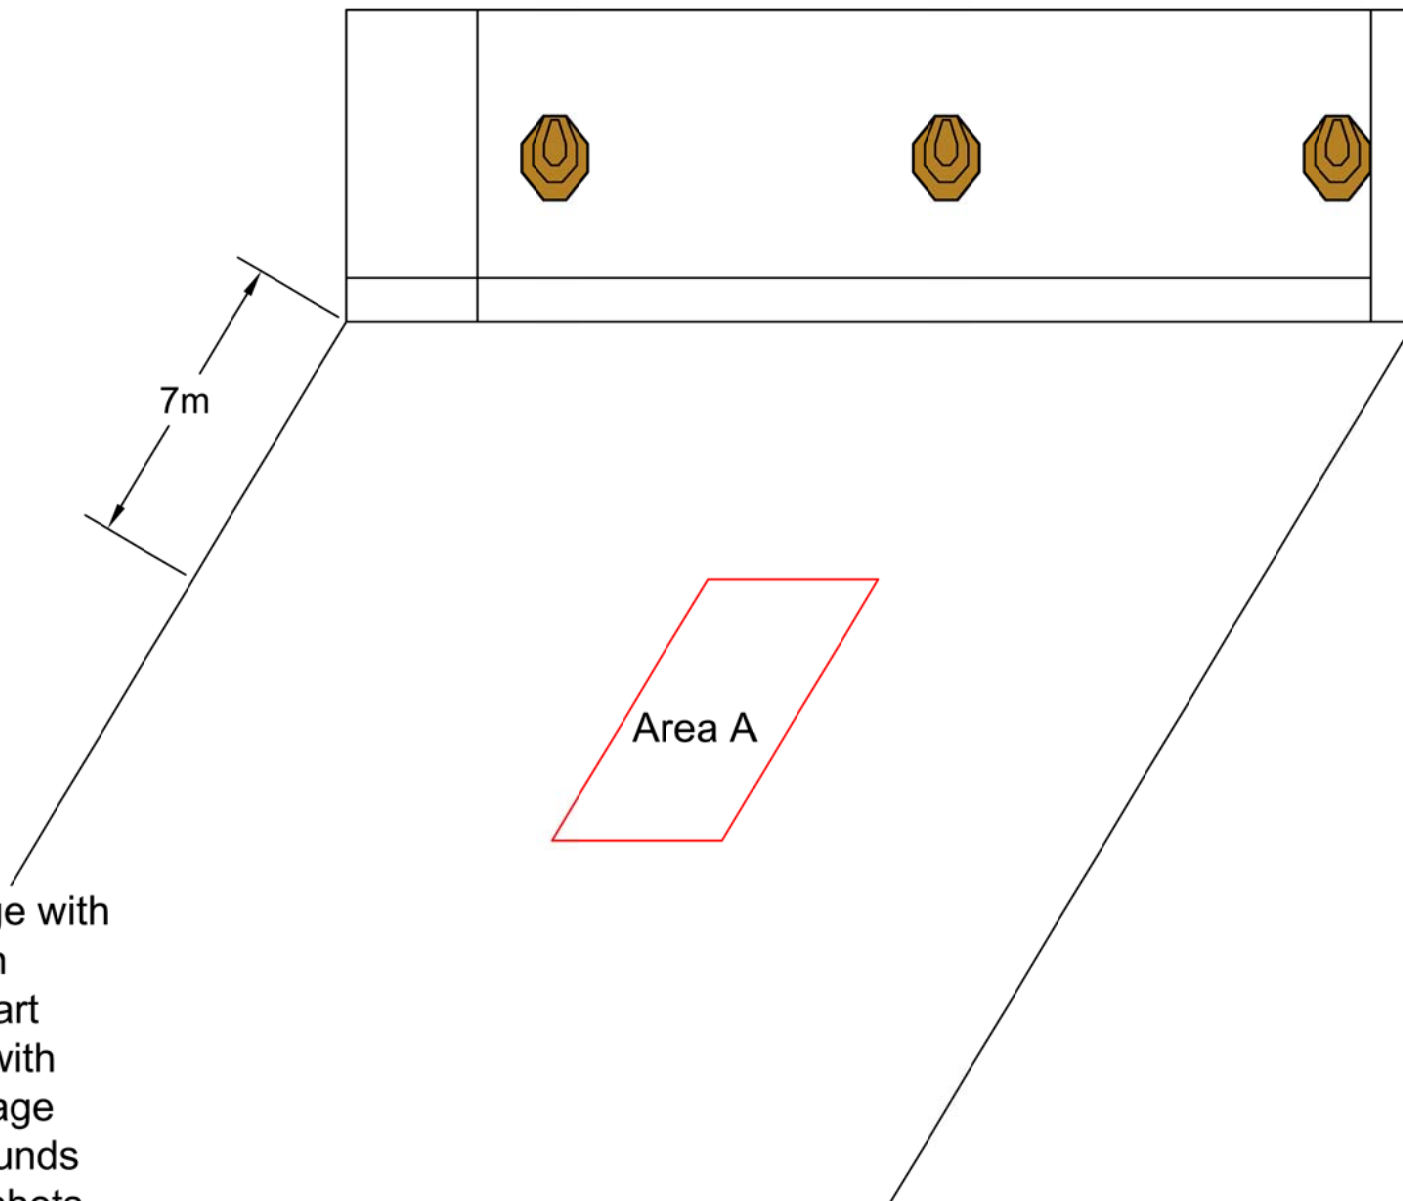

Start in Area A with toes touching Xs facing downrange, hands at sides. The gun is loaded and holstered. On start signal, engage each target as you see them.

Stage 5

12 rounds

- 3 IPSC targets

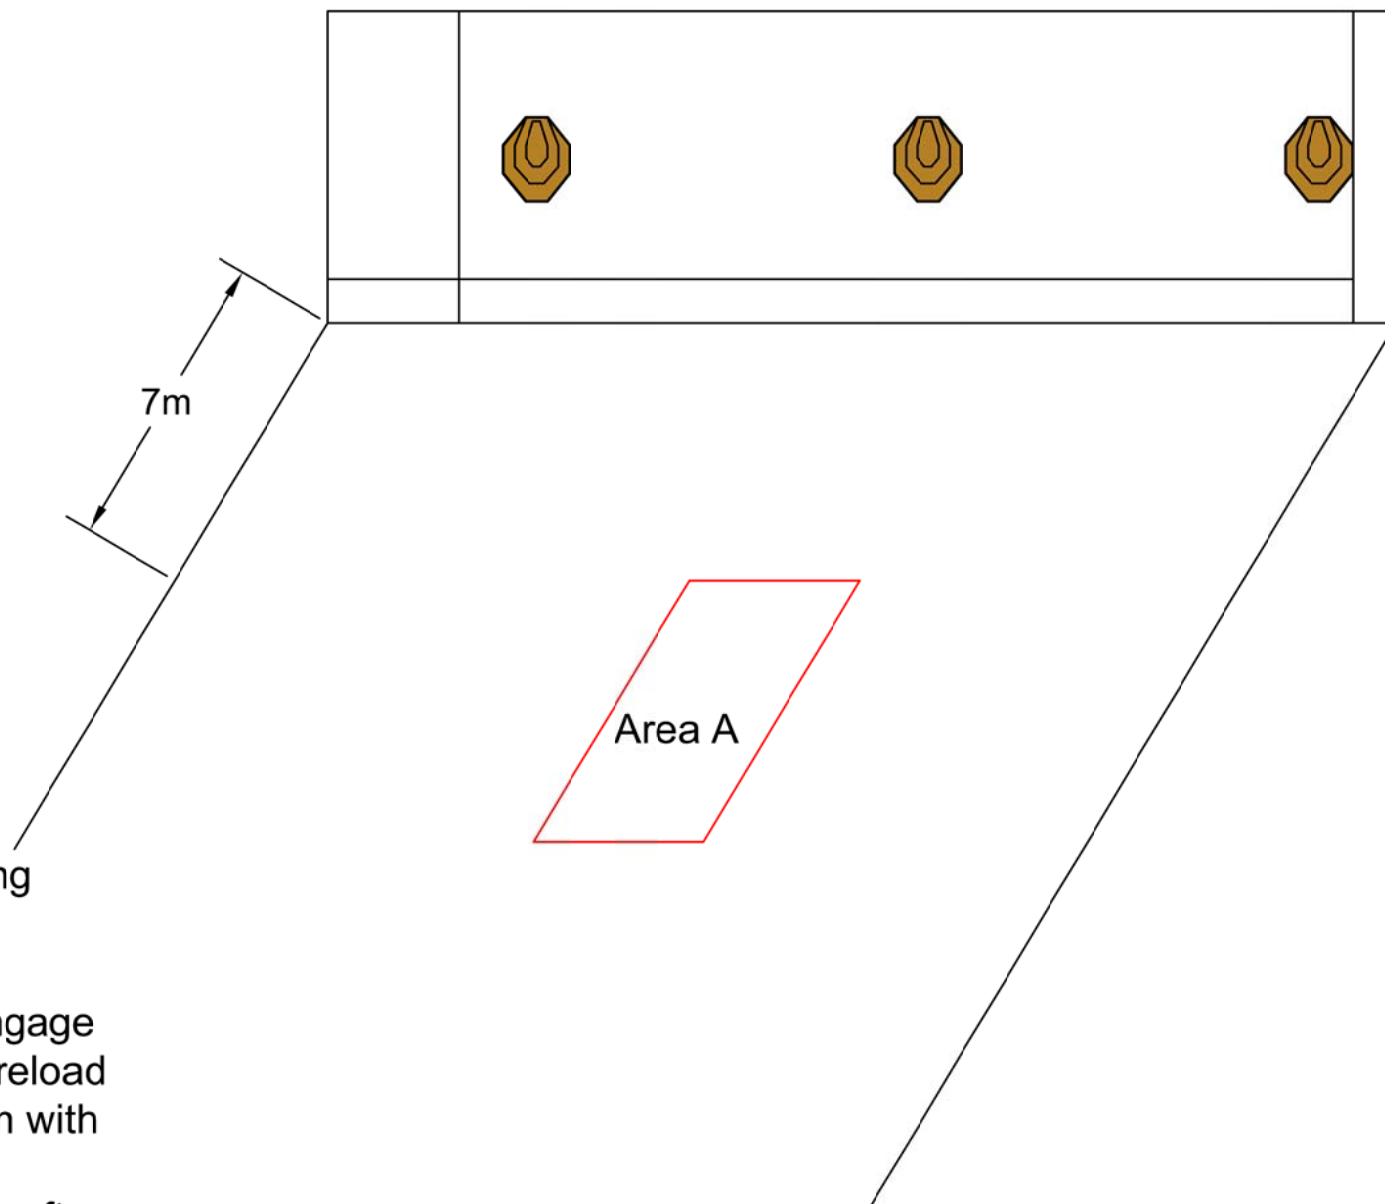

Start in Area A facing uprange with wrists above shoulders. Gun loaded and holstered. On start signal, engage each target with two rounds, reload then engage the targets again with two rounds strong hand only. Make-up shots must be made after the reload.

Stage 6

12 rounds

- 3 IPSC targets

Start in the shooting box facing uprange with wrists above shoulders. Gun loaded and holstered. On start signal, engage each target with two rounds, reload then engage the targets again with two rounds weak hand only. Make-up shots must be made after the reload.
