

# CHRISTMAS HAND GUN MATCH

December 29, 2018

You are cordially invited to the North Peace Rod and Gun Christmas club match. We welcome all practical shooters to this fun indoor match as a respite from our long Northern winters. This is a great opportunity to get introduced to practical shooting with new shooters and guests encouraged to come. Juniors accompanied by an adult are welcome.

## Details:

- Pistol club match – scores do not count for classification or standing
- International Practical Shooting Confederation (IPSC) rules but any rulings by the Range Master/Match Director are final. Refer to <http://www.ipsc.org/pdf/RulesHandgun.pdf>
- No Black Badge required but we encourage shooters to be familiar with their equipment and the rules. Shooters who are not IPSC, MP3G, or IDPA members are encouraged to come to a Wednesday night practice prior to the match and to discuss options with the Match Director.
- At a minimum, competitors should bring four magazines and refer to the IPSC equipment and division rules.
- We are planning six stages (three short, two medium, one long) with a minimum round count of approximately 97.
- The final divisions are yet to be determined but PCCs will be allowed (observing the IPSC provisional 2019 PCC rules)
- There may be opportunity for shooters to register in more than one division. If timing allows, the first division will count for score and the second division will be for fun.
- Lunch will be provided. Donations appreciated.
- Match fee: \$40 for the first division and \$20 for the second division if applicable. Shooters under the age of 20 shoot for free. EMTs to [nprgipsc@gmail.com](mailto:nprgipsc@gmail.com), password: NPRGXMAS or cash at the match.
- All match fees will go toward the purchase of range equipment.
- Pre-registration is encouraged so we can plan the event.
- Start time: 8:30am December 29, 2018. First shot at 9:00am sharp.

## Location:
